Dear Prospective Golfer, Sponsor and Partner,

The Police Athletic League of Manatee County, Inc. was founded in 1989 under the sponsorship of the Bradenton Police Department. In 1990, the Manatee County Sheriff's Office assumed sponsorship. In June of 2009, the Police Athletic League of Manatee County, Inc. separated from the PAL Corporation. Today, the Police Athletic League of Manatee County (Manatee PAL) is one of 56 leagues in the state of Florida, which serves over 275,000 children annually.

This year, 2019, Manatee PAL, will be celebrating 30 years of providing programs for youth in our communities. Manatee PAL serves about 1,500 youth annually and provides alternative recreation, education, and athletic activities under the supervision of law enforcement officers and volunteers. Our style of mentoring seems to foster a bond of mutual trust, respect and understanding among law enforcement officers and the young people, by enabling them to interact in a positive setting. This relationship helps to prevent gang violence and drug activity through the use of educational and sports activities. PAL is based on the strong belief that children, if reached early enough, can develop a strong positive attitude in their journey through life.

Many former PAL members have become collegiate athletes and/or professional athletes. Manatee PAL has also had several members join our local law enforcement agencies as officers. These and many other success stories of PAL members demonstrate that PAL works; and law enforcement officers mentoring kids has a positive influence on their lives. No other programs in Manatee County offer the activities and supervision that PAL does at such a low cost. PAL is making a difference in the lives of these youth.

Manatee PAL is a 501 (c3) non-profit organization funded by grants and donations from our community. PAL relies on the continued support of concerned individuals and businesses who believe in PAL's mission; to bring law enforcement, kids and families together in a positive, safe environment through sports and academics to build a strong community.

On behalf of the Staff, Board of Directors, Volunteers and our PAL Families, we look forward to a meaningful partnership. Thank you in advance for your contribution and support.

Respectfully,

Gina Spicer
Director of Events and Fundraising
